

BES – Student Holiday Store

Donate

During the holiday season, Brosnahan (BES) hosts a student Holiday Shop for students. Every student will have the opportunity to “purchase” an item from the Holiday Shop for someone special using their **Bronco Bucks**. The Holiday shop is filled with new & gently used donated items.

The student population is over 1,000 and BES would like to make sure each student can purchase one item. It would be a magnificent contribution if every member could contribute at least one gift item.

Small Gift Examples: Mugs, Keychains, Picture Frames, New Neckties, New Lotions, New Cozy Socks, New Scarves, New Earrings, Working Watches, Unused Candles, Small Children Toys (washed & cleaned), etc.
